Copperhead Road is an exciting indoor/outdoor function space occupying the entire second floor of the Elgin Inn Hotel in Hawthorn.

Copperhead Road raises the bar with views of the city and quality prohibition style cocktail list. You'll be transported back to the roaring 20's when you step inside. From the authentically attired bar staff, to the opening bookcases, the original 20's car, exposed brick walls, and cosy dim lighting, Copperhead Road emulates the era with great success.

The rooftop area is half undercover and boasts breathtaking city views, fairy lights, vintage finishes and a comfortable all weather rooftop bar.

Sip and sup under the stars, or head inside for a cosy and classically styled indoor area with yet another exclusive bar, Chesterfield seating, TV screen and a small courtyard for smokers. Copperhead Road is like nowhere else in town, with a speakeasy concept and décor that gives the place an amazing atmosphere.
